

Urbanism Awards 2023 nomination: Balsall Heath, Birmingham

Great Neighbourhood category

Balsall Heath received two nominations, both of which are quoted in full below.

“Balsall Heath is diverse, Brumi friendly, socially committed, spiritually sound, growing fruit trees, retrofitting homes, sharing meals, buzzing, Balti marvellous.”

“B12 is a great multi cultural diverse community that’s a mile out of the metropolis of Birmingham. It’s a a small Neighbourhood often overlooked to the more glamorous suburbs of Moseley, but has equally amazing community projects, a commitment to sustainability in the form of retrofit funding on old Victorian houses, and a beautiful art deco Victorian swimming baths in the heart of the high street.”
