BACCH Annual Scientific Meeting 5-6 October 2021

POSTER GUIDELINES

- If your abstract submission is selected as a poster, it will be printed in the Programme for the meeting.
- The programme will be produced as **A4 portrait size**.
- Therefore, please ensure that your poster will be clear to be read at this size and do not use landscape format.
- **You will need to send a PDF or image file of the poster to BACCH by Sunday 26 September.**
- The adjudicators will be reviewing the posters prior to the conference and will announce the winner of the prize for best poster at the end of day two of the event (6 October).

TIPS

- The material must be readable at A4 portrait size. Make all print very dark (preferably block style) on a very light, preferably white, background. Please do not use a dark-coloured background.
- It is recommended that you provide the viewer (by numbers, letters, or arrows) a preferred sequence that should be followed in studying your poster.
- Please include a name and contact email address on your poster.
- **PERSONAL OR PROFESSIONAL ADVERTISING IS STRICTLY PROHIBITED.**
- If you have any questions, please contact bacch@rcpch.ac.uk
