

30th Anniversary In Person Conference and AGM

Transitions throughout the lives of children & young people & the supports available

Pathways to Readiness

Friday 4 November 2022, 9am – 4.30pm

McDiarmid Park, St Johnstone Football Club, Perth PH1 2NR

**Please note change of date: will now be held on 4 November,
NOT 2 September as previously advertised.**

The SACCH committee are excited to announce the initial details of our 30th Anniversary Conference and AGM.

The event will include Speakers, Posters, stands from third sector colleagues, sponsors AND plenty of time to meet colleagues – old and new - over lunch and coffee.

Speakers include:

- *CEN – Age related transition pathways*
- *ENQUIRE – Parents' perspective*
- *Lyn McLafferty (Educational Psychologist, Falkirk Council) – Early Years Transitions*
- *Pupil Support Team (Perth and Kinross) – Supporting Early Years Transitions*
- *Who Cares Scotland – Experiences of Young People within the care system*

Conference is relevant to all Paediatricians and Allied Health Professionals in all specialties, including those working with children and families within neurodisability, neurodevelopmental services, community child health, neurology and neonatal medicine.

Virtual access via MS Teams for viewing Presentations and Posters will be available.
