Joint Meeting DSMIG, BSPGHAN & BACD

Thursday 17th June 2021, RCPCH Conference 2021 (virtual)

DSMIG are looking forward to seeing you at our joint specialty group meeting with the British Association of Childhood Disability and British Society of Paediatric Gastroenterology Hepatology and Nutrition, 3.30pm-6pm Thursday 17th June at the RCPCH 2021 Conference.

Speakers:

- Hannah Petheram, The Rainbow Trust Children's Charity - Pandemic Pressures: The struggles and resilience of families caring for a seriously ill child
- Dr Peter Gillett, Consultant Paediatric Gastroenterologist, Edinburgh - DS, DQ and CD, how should we do it?
- Dr Lucy Howarth, Consultant Paediatric Gastroenterologist, Oxford - Feeding and thriving in Down Syndrome – lessons from the gastro clinic

There will also be 3 oral presentations from each of the specialty groups:

DSMIG:

Himali Da Silva, The use of cervical auscultation to detect subtle audible wet pharyngeal sounds (SAWPS-CA) as a screening tool

BACD:

Alison Sansome, Examining the impact of virtual consultations during the COVID Pandemic on children with cerebral palsy using the cerebral palsy integrated pathway (CPIP) data

BSPGHAN:

Joe Prakash, The impact of caring for a child with a gastrostomy – a systematic Review

A large number of abstracts accepted for poster presentations for all 3 specialty groups, will be accessible in the virtual poster gallery hosted by the RCPCH.

To join the DSMIG meeting you need to register for the whole conference in advance here:
