

British Association for Neonatal Neurodevelopmental Follow Up Study Day (BANNFU)

Date: Wednesday 5th October 2022 | 08.55 — 17:30

via Zoom

This multi-professional study day will aim at exploring a range of topics related to the neurodevelopmental follow-up and outcomes of premature and sick newborn babies. It includes lectures from experts in a variety of disciplines.

Who should attend?

Any professional involved in the care of babies in neonatal units and /or their long-term management and follow-up. Suitable for:

- ◇ Paediatricians
- ◇ Neonatologists, Neonatal and Neurodevelopmental Therapists involved in Early Intervention
- ◇ Paediatric & Neonatal: Physiotherapists, Occupational Therapists, Psychologists, Speech & Language Therapists, Dietitians, Nurses, ANNP
- ◇ GPs & Health Visitors

Topics Covered

- ◇ Early intervention after perinatal stroke
- ◇ INTER-NDA for neurodevelopmental assessment at 2 years
- ◇ Newborn Behavioural Observations
- ◇ Early language acquisition in preterm infants
- ◇ Setting up a neurodevelopment follow-up service
- ◇ Congenital CMV, vestibular function and SNHL
- ◇ Feeding problems after discharge

To register visit:

Cost: £50
