How to log in

To join the portal, please click the personalised link in your information email. Please do not forward this link to anyone except to your own personal email address, where avoiding an NHS firewall.

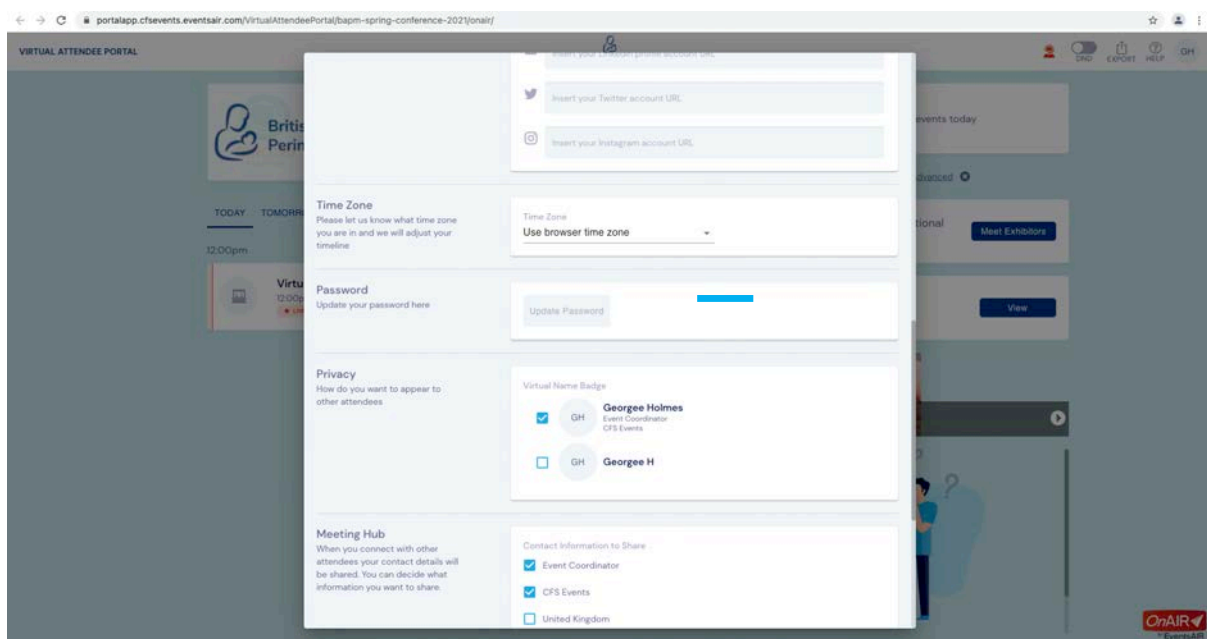

You will be prompted to set your audio and camera preferences:

You can also click on the icon in your browser bar to change your permissions

You will be shown your profile on entry:

Here you can:

- Add a profile picture or some information about yourself
- Choose how you would like your details to appear to other delegates in the meeting hub
- Adjust your camera and microphone settings

We recommend that you show your full name, hospital and job title as this is how you will appear to other delegates. This will help them identify you in the meeting hub:

## Accessing the Presentations

There is a countdown clock in top right hand corner – this lets you know when the next session is and helps you keep on time for everything!

The 'timeline' is essentially the agenda for the event – if you click each session, more information will appear on the right hand side:

Prior to a session starting you will see the preview button – this will become a 'Join' button when session starts. Click on that button and you will enter the session

## Entering the session

You will be taken to the session. A video box should open automatically.  
Use the button on the top right hand corner to make your screen larger.

When you are in large-screen mode, you can access the live Q&A, polls, your notes and raise your hand here:

If you have audio or visual issues, click here:

This launches this window:

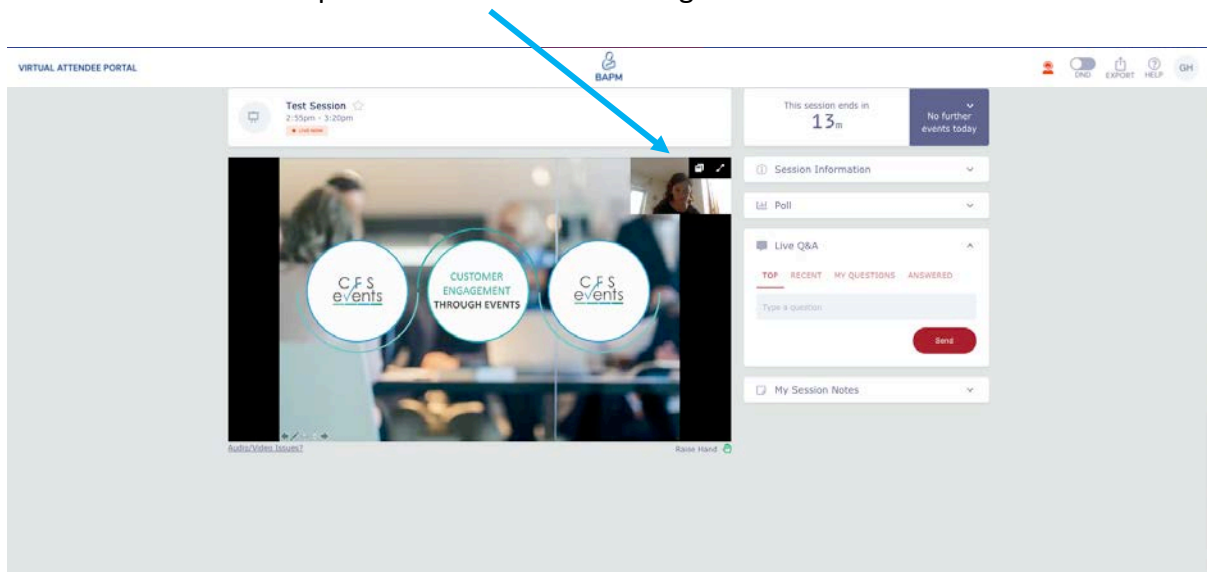

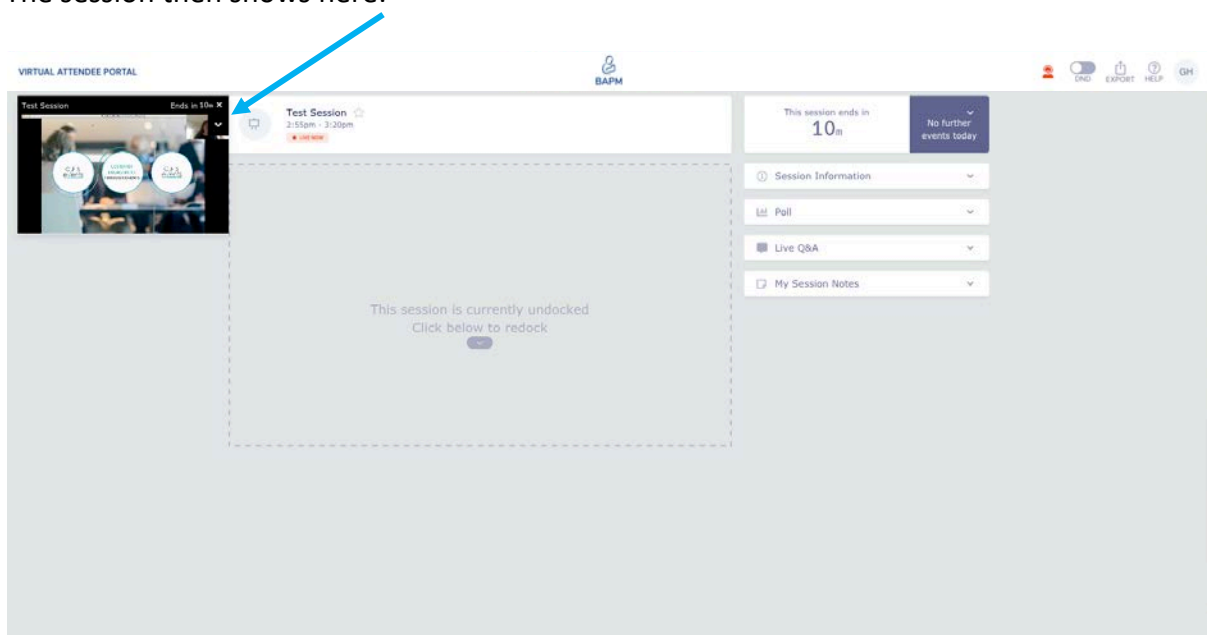

Follow the instructions, and switch to one of the backup streams if your issues persist.

Docking the session:

Use the left button in the top right of your window to dock your session. This allows you to move around the event platform whilst still watching the session.

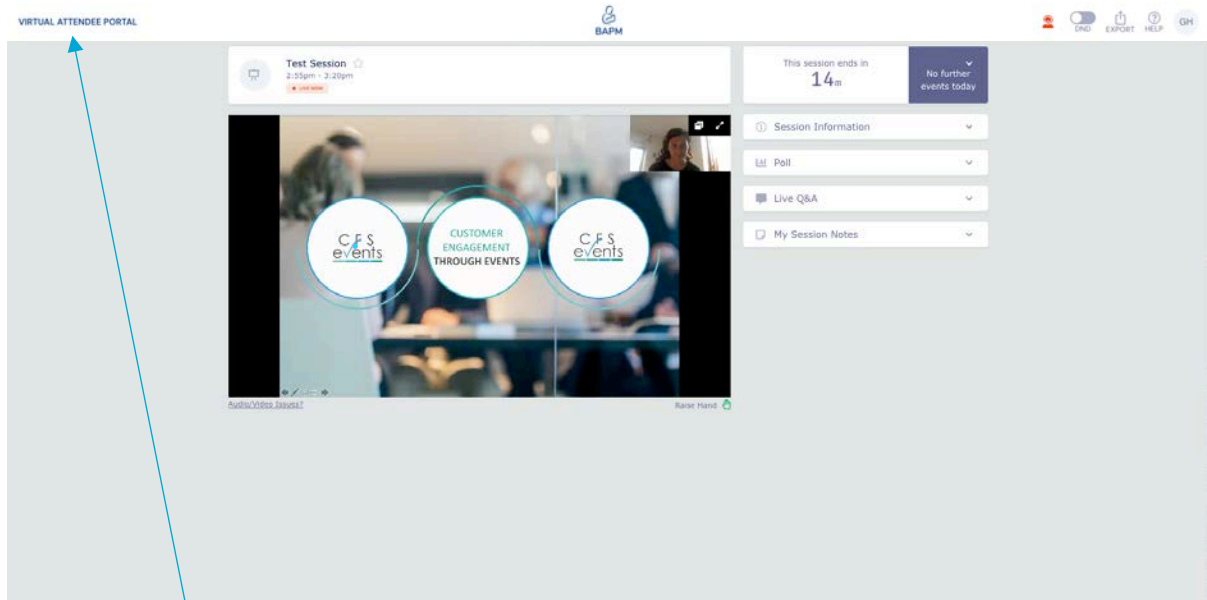

The session then shows here:

You can now click 'back to timeline' in the top left hand corner to explore the rest of the site.

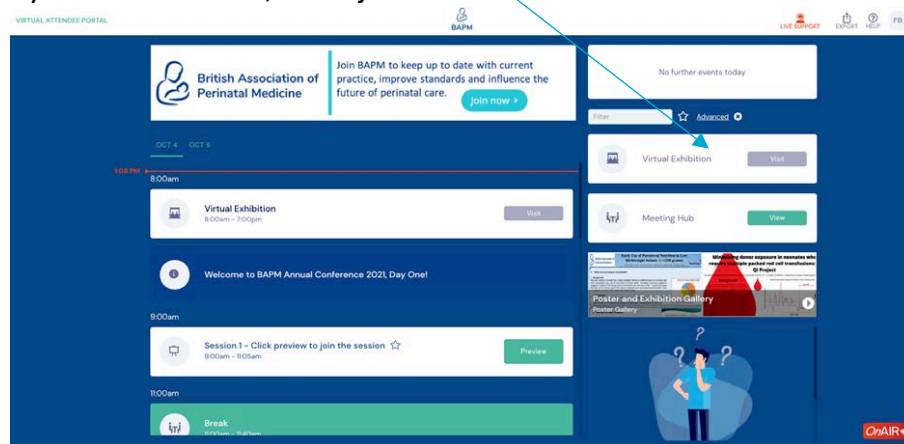

Click 'back to timeline' to return to the agenda

## Accessing the Virtual Exhibition

The virtual exhibition is where various company representatives will be ready to talk to you about their products and services. Please make the time to go and speak with them, as without them, this conference would not be possible.

Click **Meet Exhibitors** on the right hand side of the screen to access the virtual exhibition.

When the exhibition is closed, this will say **Visit** but you can still look at the stands and download any of the brochures, there just won't be a live exhibitor on their stand to talk to.

Once you are in the exhibition, click meet (or view) to visit the stand of any of the exhibitors.

Here you can:

- Have a text chat with exhibitors
- View their Brochures
- Have a video call with exhibitors

#### Virtual Annual Conference

The meeting hub lists all the delegates at the event and gives you a chance to connect and network with them, one-on-one. To enter the hub click view on the right hand side of the screen.

Click on a name to connect with them. You will be able to see other delegates names but not your own.

Once connected, you can engage in live chat, calls, schedule meetings, send messages and make notes.

You can view your pending invitations that you have sent, and the invitations that you have received, here. You can have group chats of up to 6 people.

## Other Issues

A known glitch that occasionally happens is that the page times out and you get 'stuck' without a 'return to timeline' button. If this happens, please x out of the page and re-join the meeting using the link in your email.
