

BRITISH SOCIETY FOR ECOLOGICAL MEDICINE

Mould and Mycotoxins: Infections, Allergy and other Pathologies

AGENDA

Saturday June 13th September 2020

Cavendish Conference Centre, 22 Duchess Mews, London W1G 9DT

TIME		PRESENTER	TITLE
08.00– 09.00			REGISTRATION
09.00 – 09.15	15	Dr Damien Downing and Dr Sarah Myhill	Welcome & Introduction
09.15 – 09.45	30	Prof David Denning	Clinical epidemiology and diagnosis of the different manifestations of pulmonary and sinus aspergillosis
09.45 – 10.15	30	Prof David Denning	Management of Pulmonary Aspergillosis
10.15 – 10.30	15		Questions
10.30 – 11.00	30		BREAK
11.00 – 11.30	30	Adjunct Prof Tamara Tuuminen	Dampness and mould hypersensitivity syndrome is a biotoxiosis that demands prompt diagnoses
11.30 – 12.00	30	Dr Saija Hyvönen	Immunological and toxicological effects of poor-quality indoor air: dampness and mould hypersensitivity syndrome
12.00 – 12.30	30	Adjunct Prof Kirsi Vaali	Dampness and mould hypersensitivity: mould-induced activation and nutritional intervention in halting of inflammasomes
12.30 -13.00	30		Questions
13.00 – 14.00	60		LUNCH
14.00 - 14.30	30	Dr Joseph Brewer	Chronic Illness associated with mould and mycotoxins
14.30 - 15.00	30	Dr Joseph Brewer	Dampness and mould hypersensitivity syndrome as risk factors for chronic fatigue syndrome
15.00 - 15.15	15		Questions
15.15-15.45	30		BREAK
15.45 - 16.30	45	Pol De Saedeleer	Neurotoxicity and neuroinflammation in mould and biotoxins
16.30 – 17:00	30		Questions
17:00		Conference ends	
17:00 – 17:30		BSEM AGM
