

Mould and Mycotoxins: Infections, Allergy and other Pathologies

Friday 24th June 2022

Cavendish Conference Centre, 22 Duchess Mews, London W1G 9DT

TIME		PRESENTER	TITLE
08.00– 09.00			REGISTRATION
09.00 – 09.15	15	Dr Damien Downing	Welcome & Introduction
09.15 – 09.45	30	Prof David Denning	Epidemiology and diagnosis of Pulmonary Aspergillosis
09.45 – 10.15	30	Prof David Denning	Management of Pulmonary Aspergillosis
10.15 – 10.30	15		Questions
10.30 – 11.00	30		BREAK
11.00 – 11.45	45	Adjunct Prof Kirsi Vaali	Dampness and mould hypersensitivity: mould-induced activation and nutritional intervention in halting of inflammasomes
11.45 – 12.30	45	Dr Saija Hyvönen	Immunological and toxicological effects of poor-quality indoor air: dampness and mould hypersensitivity syndrome
12.30 -12.45	15		Questions
12.45 – 13.45	60		LUNCH
13.45 - 14.30	45	Adjunct Prof Kirsi Vaali	Dampness and mould hypersensitivity syndrome is a biotoxigenic condition that demands prompt diagnoses
14.30 - 15.15	45	Dr Pol De Saedeleer	Neurotoxicity and neuroinflammation in mould and biotoxins
15.15 – 15.30	15		Questions
15.30-16.00	30		BREAK
16.00 - 16.45	45	Dr Rachel Nicoll	Mycotoxin infection: a patient's perspective
16.40 – 17:00	15		Questions
17:00		Conference ends	
17:00 – 17:30		BSEM AGM
