

Getting ready for 2020 and helping our Zambian young people!

Educating young
Zambians for a
better future

We are looking forward to many friends and supporters joining us in any form of fundraising activity in 2020. We have twenty in these pages! Would you like to offer to have a small coffee morning, a children's cake sale or something bigger? Everything helps our young Zambians to improve their life chances. Maybe your children's or grandchildren's school would like to give a donation at a Christmas concert? All ideas welcome!

Do reply to Anne our senior fundraiser (acooper@cecilysfund.org) and copy in Georgina (georgina@cecilysfund.org) and me, Alison (stableyardalison@gmail.com) if you have a bright idea.

THE BIGGEST EFFORT TO DATE FOR CECILY'S FUND 2020 FUNDRAISING

On Wednesday 5 February 2020 Alison Eastwood, mother of Cecily and co-founder of Cecily's Fund, is organising a terrific concert. As part of their contribution to our 2020 fundraising efforts there are many supporters and friends of Cecily's Fund who are coming along to help in the many different ways required by an evening like this.

Seven Oxfordshire schools will be contributing to an evening of music and dance on the theme of Loving and Caring at St Michael and All Angels' Church Summertown, Oxford. The proceeds are for the education of vulnerable children in both Zambia and Lebanon.

Abingdon School, Cherwell School, The Dragon School, Headington Girls', New College School, Summer Fields and St Edward's School are each offering seven minutes of music or dance. It will be fantastic!

Each participating school has complete autonomy on what it presents on the night although the programme will be coordinated by the organisers. This will ensure a varied and exciting programme. If you, our audience, go away at the end of the evening totally inspired by what you have heard having raised funds for our two vital causes, we can ask no more.

SPRING 2020 - David Pollock

David Pollock, former senior civil servant, chief executive of newspaper publishing group, artist, and Green Guide will offer a detailed tour of Oxford.

6 MARCH - Hugh Williams
