

THE LAURENCE SOCIETY OF HOLISTIC MEDICINE

# ANNUAL CONFERENCE

SATURDAY 8<sup>TH</sup> OCTOBER 2022  
REGENT'S COLLEGE, LONDON OR ZOOM - 10.00AM - 5.30PM

## SPEAKERS

DR CHARLES FORSYTH MBBS, FFHom

### Dr Farley Spink - Honouring a Lifetime's Quest for True Healing ...

Dr Charles Forsyth specialised in homeopathic and functional medicine, in private practice from 1981 until retirement in 2019. A MBBS from Guy's Hospital Medical School, he trained at the Royal London Homeopathic Hospital, where he became an apprentice to Dr Farley Spink. He became a Member of the Faculty of Homeopathy in 1982, a clinical supervisor in 2000, and ultimately a Fellow of the Faculty in 2007. A founder member of The British Society of Nutritional Medicine, (later renamed Ecological Medicine), Dr Forsyth also co-founded The Homeopathic Physicians Teaching Group in 1992, providing under-graduate and postgraduate training in homeopathy for doctors, vets, and those in professions allied to medicine.

ROBERT H. JACOBS NMD, PhD, HMD, DHom (Med)

### The Functional Approach to Autoimmunity and Long Covid

Robert Jacobs is a qualified Naturopath and Homeopath with over 40 years of experience in natural medicine in both the UK and America. He is a member of the British Naturopathic Medical Association, the General Register of Naturopaths and the Homeopathic Medical Association. Specialising in science-based Functional Medicine, he approaches all aspects of health with a patient-centred, systems-based focus. Functional Medicine addresses the underlying causes of disease to restore health using specialised clinical testing for functional biochemical individuality. DR THOMAS COWAN, MD

### What doesn't make you sick and What does make you sick

Dr Thomas Cowan is a doctor of alternative medicine, author and speaker, well known for his common-sense, holistic approach to health and wellness. He has lectured throughout the U.S. on health and medicine and is the author of seven books. Recent publications include "Breaking the Spell", "The Contagion Myth" (co-authored by Sally Fallon Morell), "Cancer and the New Biology of Water" and "Human Heart, Cosmic Heart". Until his recent retirement from active practice, Dr Cowan had general medical practices in three U.S. States. He was a founding board member of the Weston A. Price Foundation and currently serves as its vice president. He continues to lecture and interview, sharing information via his website, [www.drthomcowan.com](http://www.drthomcowan.com), where he also distributes many of the products he has used personally and in his practice.
