

WSWSHG presents:

CHRONIC MIASMS AND ACUTE DISEASES; A PRACTICAL APPROACH TO CASE MANAGEMENT

A talk and discussion with EWALD STÖTELER

**Tuesday March 21st at 8pm (UK time) on Zoom
Registered Health Professionals and Students Welcome**

The principal focus of Ewald's teaching is on Hahnemann's philosophy as set out in the classical texts, now systematically applied to modern-day case-taking and analysis. Having set out the philosophy of this teaching in previous lectures here, he will now place emphasis on implementation in practice.

Topics for inclusion in this evening's presentation;

- The remedy kingdoms, Plant, Animal and Mineral,
- The differences in symptomatology and disease dynamics,
- The use of homeopathic remedies in alternation, and
- The use of intercurrents.
