TOOLS & RESOURCES

Repertorisation software

Vithoukas Compass (VC)

Radar - Vithoukas Expert System (VES), version 7

Unrivalled performance and smart features. Online toolbox, free tutorials, instruction manual. Templates and assistance with repertorisation to use during case taking.

Search Engine

Free and convenient search engine to search for books, words, or phrases from over two dozen books in English and other languages by Prof. George Vithoukas.

Online Materia Medica

Online Materia Medica comprising the works of:

- Allen (184 Remedies)
- Boericke (684 Remedies)
- Dunham (51 Remedies)
- Farrington (127 Remedies)
- Kent (206 Remedies)
- Nash (189 Remedies)

Online Organon

Full online version of the Organon, 6th edition.

Clinical cases

Browse among published clinical cases presented by Prof. Vithoulkas and the IACH Research Team.

Articles & Research papers

A significant number of studies on homeopathy at molecular, cellular, and clinical levels are presented here for the serious researcher.

These papers have been rigorously researched, approved, and published in internationally recognised and highly respected journals.

The research papers are categorised, and the search engine makes the navigation easy.

EXAMS

Self-assessment

Continuous self-assessment exercises at the end of each class.

Continuous assessment

The tests are done in attendance, online in the classroom, at the end of each completed module.

Passing score: 60%

3 attempts.

Failure to pass the test 3 times disqualifies the student of passing the final exam and thus only the certificate of attendance can be delivered.

Subject	Duration	Number of questions
Theory	50 min	50
Organon	50 min	25
Materia Medica A	60 min	60
Materia Medica B	40 min	40

Materia Medica C	40 min	40
Repertorisation	60 min	30

Final exam

The final exam comprises of 6 tests.

It is conducted online in the classroom after succeeding the continuous assessment tests.

Passing score: 50% for each test and 70% globally.

3 attempts, with 6-month time in-between. For each new attempt, the student must retake all 6 final tests.

Subject	Duration	Number of questions
Theory	20 min	10
Organon	40 min	10
Levels of Health	40 min	10
Remedy reaction	40 min	10
Materia Medica	50 min	20
Cases analyses	210 min	10 cases

Clinical Case reports

10 cases must be submitted with a minimum of 2 follow-ups/case and a minimum of 6-month treatment time/case. Students have 1 year after the final exams to successfully submit their 10 cases.
