

JOANNA LUMLEY

8 August 2019

Dear Ms Newland,

Joanna Lumley has asked me to write on her behalf to thank you so very much for your letter of 18th June asking if she would permit you to mention to potential donors that she is supporting your project. Joanna says she is more than happy for you to use her name in any way that it is useful and sends you her sincere thanks along with her very best wishes.

Yours sincerely,

Lisa Baker
