

5 REASONS TO SUPPORT US

WE ARE MINDFUL OF THE POPULATION'S CURRENT SMALL SIZE, MIX & EVEN SMALLER MARKET, SITUATIONS ON THE GROUND AND NEED FOR A HOLISTIC APPROACH.

SO, WE ARE FOCUSED ON REGENERATION OF MONTSERRAT IN THE FOLLOWING WAYS:

Bolstering The Economy

- **Broadening the economy**
- innovation & spin-offs, not competing businesses.
- **Helping to improve market size.**
- **Working to ensure local circulation of funds.**
- **Starting with small pilot businesses with big potential.**
- **Ensuring standards are upheld, projects are sustainable, and market response is tested.**

Supporting Employment Opportunities

- **Working on step-by-step revitalising of employment & the population.**

In supporting us, you revitalise your homeland starting with the most vulnerable and the committed.

Sustainable Environment

- **Keeping abreast of the work being carried out by others** as part of protecting the patrimony, wealth and well-being of Montserrat.
- **Supporting those types of projects & initiatives too.**

Entertainment

- **Supporting projects to preserve & develop the culture & beauty of Montserrat** and increase recreational & entertainment activities & initiatives.
- **Planning not only to support projects in this area, but also to get directly involved in supplementing them as necessary.**

Partnerships & Enterprise

- **Encouraging, nurturing, creating & supporting partnerships.**

As part of our partnership with you, we are:

- **Operating a well-regulated, open, honest, accountable & inclusive organisation.**

We also believe in and are committed to:

- **Harnessing the power of a people united** in supporting itself and in fostering evolving opportunity.

Our experience and our principles on partnership & working for the greater good have us uniquely well-placed to make this succeed.
