HOW TO FIND US

We are centrally located and nestled among some of Manchester's most iconic landmarks – The Town Hall, St Peter's Square and Central Library

- We are located directly behind the distinct Central Library building
- We are a short walk from Oxford Road Station and two minute's walk from St Peter's Square tram stop

GETTING HERE BY TRAM

Our nearest stop is St. Peter's Square, which is a two minute's walk away from our front door. From Manchester Piccadilly take any tram heading to either: Altrincham, Didsbury, Manchester Airport Eccles or Media City and alight at St. Peter's Square. Only two stops away. Please note that you can use your train pass to get on the tram free of charge in Zone1 in the City Centre. <https://tfgm.com/public-transport/tram/network-map>

GETTING HERE BY TRAIN

We are within walking distance of all the city centre railway stations, approximate walking distances:

Manchester Piccadilly – 20 min

Manchester Victoria – 15 min

Manchester Oxford Rd – 10 min

Salford Central – 15 min

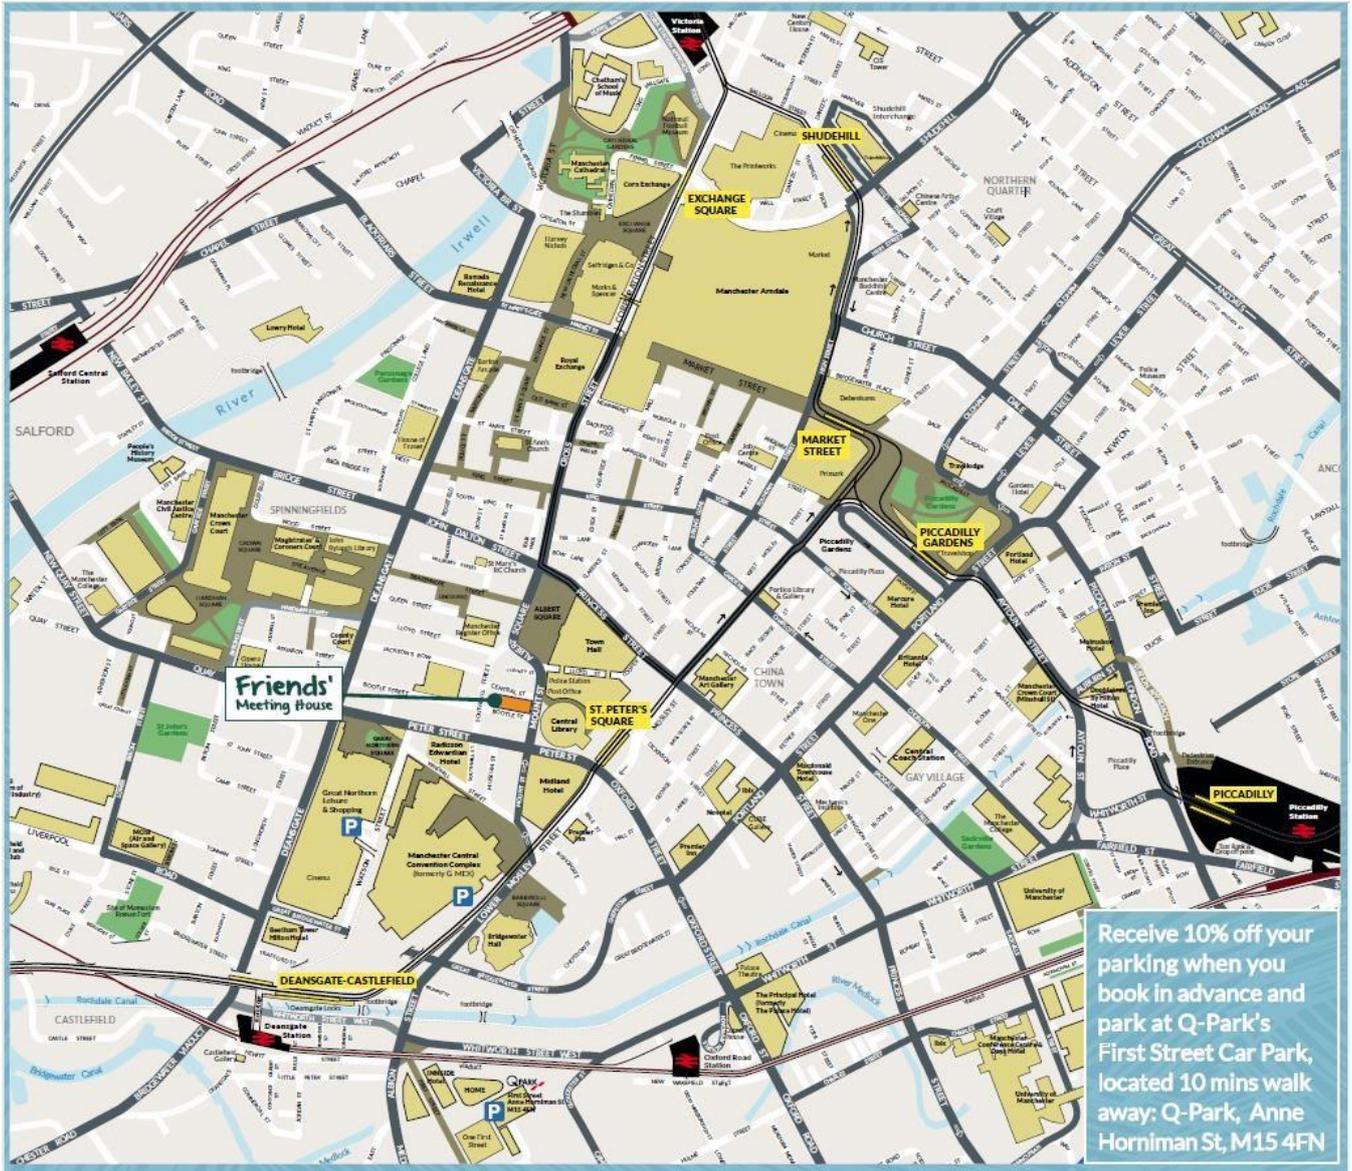

Deansgate – 10 min

GETTING HERE BY BUS

Several bus routes stop near the Meeting House, including the Metroshuttle, which is a free bus service linking the main rail stations, car parks, shopping areas and businesses in Manchester city centre. The nearest Metroshuttle bus stop is Peter Street. Find out more at <https://tfgm.com/public-transport/bus/free-bus>. Other bus services stop at Piccadilly Gardens, which is approximately 10 minutes' walk from the Meeting House.

DISABLED ACCESS

- **Street level access** - We have a ramp to the right-hand side of steps to enter from street level
- **Access to all floors** - We have a lift to access all floors, most rooms are accessible to wheelchair users apart from F17, F16, F15 and F14
- **Toilets** - There is an accessible toilet on the ground floor and a disabled toilet on the first floor with access via the lift
- **Hearing** - We have a hearing loop system built into the Main Hall and a mobile loop system to use in any other room if requested by the organisers.
- **Diet** - We can cater to specific allergen dietary requirements which must be ordered in advance

ACCESSIBILITY

- The reception and ground floor are accessible by a ramp from street level
- The front door has a powered automatic door opener which can be pressed from both inside and outside the building. The front door opens externally outwards, so when users arrive from using the ramp the user can access easily without having to go around the door
- The reception and communal spaces have adequate space for wheelchairs and mobility vehicles
- There is a lowered desk in reception. Staff are always willing to help and provide assistance if required. While reception does not have an induction loop, all our reception staff are willing to assist people who are hard of hearing
- There is an accessible toilet on the ground floor and a disabled toilet on the first floor via the lift
- The first floor is accessible from ground floor via the lift, which holds one wheelchair user or six people (without equipment) at a time.
Lift Dimensions: Door H:2000mm x W:900mm
Interior H:2070mm x W:1100mm x D:1400mm
- F11, F12, F13 and the Upper Hall are all accessible to wheelchair users
- Rooms F14 – F17 are not accessible to wheelchair users due to the small door frames.
