PRESIDENT'S LETTER

Dear Members, Exhibitors and Friends

It is a privilege that I write to you, in my 50th year of being involved with the Cupar Flower Show, I sincerely hope that the challenges of the past two years are well behind us all and that we can look forward to seeing you in-person at our 110th Annual Flower & Craft Show in 2022, which is planned for Saturday 20th August.

As you would expect, we, like the rest of the country, have had to adapt and change to new challenges in our everyday lives, and things can change from one week to the next. So, notwithstanding the plans for the 2022 being set out in this schedule, we may have to alter things as the year progresses, but we will keep you informed should that be the case.

I have watched the Cupar Flower Show grow and flourish since I first exhibited my own flowers and vegetables back in 1972 and have enjoyed being part of the organising committee as well as an exhibitor for over 50 years. It's hoped that our seasoned exhibitors in the floral, fruit and vegetable categories will once again join me in putting on a good show. If the Coronavirus pandemic has had any positive impact on society, it has allowed people who have not previously had the time or inclination to enjoy and appreciate their gardens to benefit from the therapeutic influences of gardening and improve mental wellbeing to both young and old. We need to keep that newfound enthusiasm going, so please do encourage any family or friends to participate, even if it is from a distance.

If you are new to growing or have never entered a flower show before, don't worry...we are here to help you every step of the way. We have a NOVICE Section specially geared toward this group; but you can also enter any of the open classes should you wish! It's not only outdoor categories that we cater for; we also have classes for home baking, wine, floral art and photography, and a number of classes for the children too. Our friendly, local show is for amateurs, so give it a go.

Cupar Flower Show's charity of the year is Age Concern Cupar. This voluntary organisation provides vital support to the elderly and less able in Cupar and the surrounding areas in the form of day care, advice and life admin support as well as offering respite to families and carers. Please help us provide this great organisation with a little more funding to support our community. If you are a local charity and wish us to consider supporting your cause in a future year, please do get in touch with us.

Details of the Show and other events can be found on our website. Please visit: www.cuparflowershow.co.uk

On behalf of the Cupar & District Horticultural Society, thanks go to all advertisers, traders and sponsors who have given generous donations supporting the show in times of economic downturn - these funds help to cover the cost of running the show and create the prize fund. To new supporters, we hope you will continue your support for years to come and find this Show an effective way to promote your business. Most importantly, we would like to thank YOU for supporting one of Cupar's longest running events and wish you a very safe and healthy 2022.

FAMILY TIME RIBBON

Sponsored by the Etheridge Family

In 2018 Toby's Magical Journey was the first local charity that was supported by the Cupar Flower Show.

This year the Charity is supporting a new 'family class' to highlight the importance of family and friends, not only as a result of the recent Coronavirus pandemic, but also when a young person is dealing with the effects of cancer. Isolation happens to every child when they go through a period of being in hospital. They are split from family members and friends. This can be for days, weeks or months. The child misses out on so much contact, love laughter and fun.

Class 239

As a family, we would like you to create a collage which reflect the importance of your family time to fill the ribbon. There are 5 elements to this class.

Item	Description
A	Create a lilac coloured 'time' ribbon, using the shape as shown in the Toby's Magical Journey logo above, as the base of your story. This base (or time map) can be made of any craft or materials
B	Create a flower, with the main element using buttons
C	Create a multicoloured handprint wreath incorporating hands from all members of your family, maximum size A4.
D	Create the story of the very hungry caterpillar using vegetables and/or fruit
E	A family member should give a written description of their family time ribbon

1st Prize – A family day pass to Cairnie Fruit Farm with a £20 Cairnie voucher

2nd Prize – A family day pass to Cairnie Fruit Farm with a £10 Cairnie voucher

AGE CONCERN CUPAR

Provost Wynd , Cupar, KY15 5HE

Tel: 01334 653597

Email: ageconcerncupar@btconnect.com

Age Concern Cupar is a voluntary organisation based just off the Bonnygate, in Provost Wynd, Cupar. The charity runs a centre for older people in the local community who are isolated, physically frail or would benefit from companionship, providing social interaction and activities in a friendly and comfortable environment to help our elderly feel less socially isolated, while at the same time giving respite for families and carers.

The centre is open Monday to Friday from 9am-3pm; providing refreshments throughout the day and offering a healthy two-course lunch, prepared daily on the premises, served at 12.30pm to attendees, for a small charge.

Alongside this, Age Concern Cupar offers varied activities which are both stimulating and therapeutic and are tailored to meet the needs of both individuals and the group. The centre is also able to provide advice and assistance with filling in forms and regularly organise day trips to a variety of places.

Most of the attendees are aged 75 or over, but services are also available to those aged over 60 who require them, as well as to individuals in the early stages of age-related mental health problems such as dementia or Alzheimer's disease.

There is no commitment to attend every day. Members attend to suit their own lifestyle, some attending daily, some attending weekly and some on a casual basis. With two minibuses and a door-to-door transport service for those in Cupar, pick-ups are available from Strathmiglo, Auchtermuchty, Freuchie, Falkland, Letham, Ladybank, Kingskettle, Pitlessie, Springfield, Ceres, Craigrothie, Dairsie and any villages in between.

Being a small charity, Age Concern Cupar relies on donations to keep vital facilities open to the elderly and less able in Cupar and the surrounding areas. Please help keep this service alive, by contacting Centre Manager, Anne Ronaldson.

Age Concern Cupar is a Scottish Charitable Incorporated Organisation (SCIO). Charity number SC009599.

SCHOOL'S GARDENING COMPETITIONS

The Cupar Flower Show aims to encourage the younger generation to become more involved with horticulture and the environment and having dealt with the effects of the pandemic over the last two years, it is even more important to benefit from the therapeutic influences of gardening.

Open to all nurseries, pre-schools, play groups, primary and secondary schools and further education colleges in Fife, and any youth educational eco-groups, the **Schools Gardening Competition** can take the form of a flower garden, vegetable/fruit garden or a combination of both, and for those who have limited access to space, then we have created a **Pallet Garden Competition**.

Gardens will be judged by a professional horticulturalist on quality, tidiness and the thought process behind the garden along with using recycled material and eco-friendliness. They will not necessarily be judged on readiness of the produce, given that some items may not be fit for the table or display until later in the year.

Staff and students from the Horticultural Department at the SRUC Elmwood Campus have offered their services to any group participating in the initiative. Assistance offered could be in the form of general gardening advice, gifting plants to stock the garden, students carrying out physical work to create the outline garden for the school group, or by arranging visits to the Horticultural Department at Elmwood. In return, the students will be credited with assisting the local community in helping create a sustainable environment.

A representative from the school/group will be required to explain to the judge, the idea behind the garden, what is being grown and why. Judging will take place the week commencing 27th June 2022.

Exhibitors Notes

1. One entry per class/year group involved in the garden project; not restricted to one per school.
2. Eco-groups are only allowed to submit one entry.
3. Closing date for entries: Friday 10th June 2022.
4. Judging will take place the week commencing 27th June 2022; schools will be notified of judging date.
5. Entries for these classes are FREE.
