

## Lunch Challenge

Thank you for deciding to volunteer with us at Providence Row. You are helping to tackle the root causes of homelessness and help people in East London get off, and stay off, the streets.

**On the day:** Today you will prepare, cook and serve lunch to between around 30 people.

You will work with our chef Simon and peer mentors (volunteers with lived experience of homelessness who have completed our Catering Trainee Scheme and now support other trainees and the running of the kitchen) to prepare and serve lunch to around 30 people. There's no need to worry about your cooking abilities - you will be guided through it all to make a delicious three course meal for people who have been affected by homelessness, as well as our staff and volunteers. You will also get to enjoy the fruits of your labour at the end of your shift. Come with imagination and enthusiasm as you'll get to see what ingredients we have available before deciding as a team what you're going to make!

### Our expectations:

- Be reliable and arrive promptly at the time we ask. If you are unable to come in on the day, or running late please contact Olivia on 020 7422 6381. - It is important that we know where our visitors are when they are first on site. Please ensure you remain in the reception area until you are collected by a member of Fundraising staff.
- Be mindful that we work with extremely vulnerable adults and to treat anything you hear as confidential; do tell a member of staff if you hear something that makes you uncomfortable or makes you think someone is at risk.
- Please all arrive together and let us know if this is not going to be possible.
- Do not take photos whilst you are on our site. If you would like to have photos taken let us know in advance and we can organise it, or we can take a group photo at the end of the session.
