

INSPIRING WONDER & LEARNING IN PRIMARY SCHOOLS

MISSION & VISION

Our vision is:

to become a 'beacon of excellence' for education and worship that influences and enables Christian encounter in primary schools.

Our mission is:

to inspire this generation of primary school children to engage with the Christian faith and explore its beliefs and values.

WHAT WE DO

- Working alongside churches, we visit primary schools to deliver Christian Collective Worship (Assemblies) and RE Lessons. In so doing we are able to create a space for Christian encounter through the teachings of Jesus and the Bible.
- Our unique style and enthusiasm for Christian schoolswork comes from our diverse, creative and energetic team of 45 volunteers and staff, comprised of practicing Christians from various denominations, who visit schools weekly in London and Southeast England, aspiring to share the truths of the Bible in a meaningful and powerfully relevant way.
- We are passionate advocates of excellence in RE and Worship and seek to provide teachers, laypeople or homeschooling parents/carers with the tools they need to deliver outstanding lessons and assemblies.
- We create our own resources, distributed to schools weekly and freely available on our website

SEND ME SOMEONE!

We'd love to come and tell you and your church/group all about the exciting ways we are reaching out to children and how you can be involved. Simply email us to arrange a visit.
