

Fighting poverty through financially sustainable businesses

We're a bunch of followers of Jesus who believe enterprise is the long-term solution to poverty. Rather than do stuff and ask for money, we find and inspire entrepreneurs, business advisors, mentors and investors. We support them with their current project or suggest ways they can get involved.

**Subscribe for free to receive invitations to our monthly gatherings
Or join us as a member for £15/month (£5 concession)**

Why Join?

- Support and encouragement for your enterprise project or opportunities to engage with TEN-linked projects
- Join a support and accountability discipleship group
- Access to our online directories, business start-up workbook and restricted material
- Join our annual retreat at Launde Abbey
- Almost all the membership income is used for charitable purposes because everyone works 'pro bono' so costs are tiny.
