

ARE YOU 6-9?

Elfins is part of Woodcraft Folk, a youth movement for people who want to be part of building a better world.

Our groups give children the chance to try new things, make new friends and learn about big ideas.

WOODCRAFT
FOLK

At an Elfin group, you have a right to be listened to, and a chance to have your say. At our groups you can join in with games, crafts, discussion, singing, outdoor activities and camping trips, and even plan and run your own activities.

Our Elfin groups meet weekly in term time and give children the chance to build new skills and knowledge through fun activities.

For Parents & Carers: All our groups are run by volunteers, many of whom are parents of young people in our groups, and we seek to ensure that our weekly groups, residential trips and camps are affordable and inclusive for all.

Your local elfin group is:

West Oxford and Osney elfins

Based at: West Oxford Community Centre
